West Virginia Good Sams is having our Spring Camping Rally/RV Rally (big camp out) on May 18-20, 2018 at the Butcher Bend 4-H Grounds in Mineral Wells, WV. We anticipate over 80 campers and over 200 people will attend our Spring Camping Rally/RV Rally (big camp out) from WV and many surrounding states. Our theme for the spring Camping Rally will be patriotic.

This letter is to introduce a Good Sam Member who is asking you to participate with us and support our Camping Rally/RV Rally with a **Door Prizes** and/or **Advertising Products** for Goody Bags given to all who attend. Please consider also a **sponsorship of one of our Rally events**. Your name will be listed in our programs and all members will be asked to show their appreciation for your support of the West Virginia Good Sams Club.

If you would like to have Camping Rally/RV Rally applications or WVGS information at your venue, please tell the person who is visiting you today. We will be happy to supply these for you.

We also ask that you consider adding our website link to your business website or Facebook page. Check out our Facebook page—West Virginia Good Sams.

Thank you for showing your support of the West Virginia Good Sam Club. Please include your business card with all donations. Come camp with us!

Thank you for your help and support--
