More WVGS Samboree applications and posters on our Facebook page.

**Everywhere you go camping**—pass out Good Sams Applications; Rally Applications and tell folks about your chapter, the WVGS and the Rally. Place the info in the campground office and on all the bulletin boards in the camping area. *We hope each of you do this whenever and wherever you camp. It is one of the best ways to spread the good word about WVGS.*

A recent study of families and campers showed that half of folks not in a Good Sams chapter are because no one asked them to join. We have lots of promotional materials available to support your Chapter recruitment and start new chapters but the BEST way to bring new families to WVGS and chapters and Rally is to simply to ask them.

Ask them to a chapter camp out. Ask them to your covered dish dinner at your campout. Ask them to make s'mores around your campfire. Ask them to play games with your chapter. Just ask!!!!

Please help the WVGS Grow!! You are great advertisement!!
