

**GOOD SAM'S MID-ATLANTIC REGION**  
**(FORMERLY REGION 6)**  
**CENTURY FLOWER PATCH LOG**  
 (Revised 4.25.2013—KAW)

The Mid-Atlantic Region Flower Patch was designed to promote Samboree attendance and visitation of States within the Mid-Atlantic Region (NJ, PA, DEL, MD, VA, and WV). The Basic Patch will be awarded to those attending ten sanctioned States Samborees or International Samborees/Rallies. Among these ten States, you must have three from different States within The Mid-Atlantic Region. Each additional ten Samborees, again with three signatures being from three different Mid-Atlantic Region States Samboree directors, qualifies you for an individual Satellite State Flower Patch. Each additional ten Samborees, as described above for the Basic Patch, will qualify you for individual Satellite State Flower Patches. These patches are available from any Mid-Atlantic Region State Director.

Only one log is required per family rig. The previous version of this form will be honored.  
 Your log and money must be presented to the State Director when claiming patch awards. You do not have to claim the 10th or last State signed for your award.  
 Only Samborees visited after January 1, 1993, qualify for this award program.

The basic Century Patch is a five-inch bouquet of all Mid-Atlantic Region State Flowers, which costs \$6 each. The Satellite patch is a one-inch replica of the Individual State Flower with a cost of \$2 each. Start your Samboree visitation and collection of signatures so you can wear one of these colorful Mid-Atlantic Region Century Flower Patches on your jacket/vest! Each additional ten Samborees, as described above for the Basic Patch, will qualify you for individual Satellite State Flower Patches.

Remember you have to ask other campers to join your chapter—invite them to a Samboree, too
