

Join A WV Good Sam Chapter And Join The Fun!

You are surely missing out on a great Club benefit if you are not part of a local WV Good Sam chapter. Chapters are groups of members who like to camp together, but camping is just part of the fun. The camaraderie and friendships often grow into an extended part of your family.

Many WV chapters just enjoy spending time with each other at local camp outs or traveling in caravans together. The pleasure most members receive from the various get-togethers is the sense of sharing a common interest, swapping travel adventures and keeping one another posted on the best routes to their RVing destinations.

Community service is another aspect many WV chapter memberships offer. While having fun, WV chapters may participate in local civic events and fund raisers, for such organizations as Dogs for the Deaf, Ronald MacDonald House, Special Olympics, and Make a Wish Foundation, just to name a few.

You will find that joining a WV chapter is not only enjoyable, but another chance for you to use your Good Sam Club membership to its full extent. So join our chapter family and start enjoying more wonderful camping experiences.

Get Involved - Volunteer Opportunities Await
A big reason people join the Good Sam Club and WV Chapters is so they can lend a helping hand to others. This directly coincides with the inspiration behind the Good Sam Club - the Good Samaritan. Many opportunities exist for ways you and your local Chapter can get involved with this spirit of giving.
